

**E**stablished in 1962 as Japan’s first security services firm, SECOM CO., LTD., has earned a reputation as a pioneer in the market by developing innovative products and services that truly benefit society. The Company’s achievements to date have supported solid growth and transformed SECOM into a provider of security and peace of mind.

In 1989, SECOM introduced its vision for the future—the Social System Industry, a new social framework created through the provision of comprehensive, integrated products and services that make life more secure, convenient and comfortable. To achieve this vision, SECOM has expanded its focus beyond security services to include medical, insurance, information, geographic information system (GIS) and education services. From this foundation, SECOM is now aiming to take the Social System Industry to the next level, the focus of which will be to maximize synergies among its diverse businesses and develop groundbreaking new products and services.

SECOM has also expanded its operations overseas through an extensive network of security services subsidiaries and joint ventures. This global network currently encompasses companies in Taiwan, the Republic of Korea, Thailand, Malaysia, Singapore, Indonesia, the People’s Republic of China (PRC), the United States, the United Kingdom and Australia.
