

Regarding Publication of SECOM Report 2026

Against a backdrop of increasingly complex social imperatives, in May 2026 we published the SECOM Group's Vision for 2040 to clarify our strategic direction over the next decade and a half. SECOM Report 2026 conveys our determination to capitalize on the *ANSHIN* Platform to extend proactive services that provide Peace of Mind through Anticipation.

This report communicates SECOM's efforts to create value as it works to achieve the goals of the SECOM Group's Vision for 2040, as well as to deepen dialog with its stakeholders. Going forward, we will make use of the frank feedback we receive from readers to further improve both management and our disclosure as we continue working to realize our Peace of Mind through Anticipation.
