## Acquisition of Global Security System Integrator, AVTEL

### Enhancing the capability to serve the needs of global companies

SECOM CO., LTD. (“SECOM”) hereby announces that it has reached an agreement to acquire AVTEL Holdings (Pte) Ltd. (“AVTEL”) by purchasing its whole shares. AVTEL is a global security system integrator<sup>※1</sup>, which provides services mainly in APAC<sup>※2</sup> and EMEA<sup>※3</sup> regions.

In May 2023, SECOM formulated the SECOM Group Road Map 2027 to realize the goals of the SECOM Group’s Vision for 2030, positioning the expansion of its overseas business as one of the important strategic initiatives.

AVTEL is one of the leading global security system integrators in APAC and EMEA regions. It serves global customers including data centers of US companies, that are being constructed in rapid succession worldwide, leveraging its expertise in systems design, sales, and installation. With its sophisticated technical skills and capability to handle major access control and video surveillance systems, AVTEL is well-equipped to meet the security requirements of global companies which have standardized security policies for their overseas offices.

AVTEL aims to leverage the business infrastructure and resources of the SECOM Group, which has its footprints in 17 countries and regions to further expand its operation.

SECOM also seeks to accelerate the growth of its international business and expand the business with Japanese offices of global companies, making the most use of AVTEL’s expertise to handle major security systems such as access control and video surveillance systems, which are used around the world.
